---

My name is Dave Dabour. I'm a semi-professional event photographer that specializes in taking digital photographs of theatrical performances.

I will be photographing the upcoming PHS performance of *Godspell*. I will put all of the photographs I take onto a CD-ROM. The CD-ROM will play as a slide show on any Microsoft Windows based PC. You may display the photos on your websites (facebook, myspace, etc...) as well as print them out on your personal photo printer or elsewhere (ShopRite, Wal-Mart, Photo store, etc ...). All photos will be in standard JPG format. Enlargement of individual photos are also available – just ask!

The cost of the CD is \$15 each (cash, check, money order). **Special: If I receive your order before the end of the show (3/28) the cost is \$10** (shipping not included – pickup CD at school). The CD-ROM will be available within 2 weeks of the show conclusion and delivered to the HS for distribution (or pay \$3 to have it mailed).

The photographs will also be available on my website for purchasing prints in many different sizes and downloading for a nominal fee. **I also have photos from past PHS shows available online.**

To order one please fill out the enclosed form and return it to me or Allison Dabour. You may also order online at [www.showpix.net](http://www.showpix.net).

If you have any questions or concerns, please don't hesitate to ask me or call/email.

*Dave*
