RE: Show Photographs

My name is Dave Dabour. I'm a semi-professional event photographer that specializes in taking digital photographs of theatrical performances.

I will be photographing the upcoming SHS performance of *Me and My Girl*. I will put all of the photographs I take onto a CD-ROM. The CD-ROM will play as a slide show on any Microsoft Windows based PC. You may display the photos on your websites (facebook, myspace, etc...) as well as print them out on your personal photo printer or elsewhere (ShopRite, Wal-Mart, Photo store, etc ...). All photos will be in standard JPG format. Enlargement of individual photos are also available – just ask!

The cost of the CD is \$15 each (cash, check, money order). The CD-ROM will be available within 2 weeks of the show conclusion and delivered to the HS for distribution.

The photographs will also be available on my website for purchasing prints in many different sizes for a nominal fee.

To order one please fill out the enclosed form and return it to me or Eileen Bremer. You may also order online at www.showpix.net.

If you have any questions or concerns, please don't hesitate to ask me or call/email.
