RE: SKIT Workshop Cinderella Show Photographs

For those that don't know me my name is Dave Dabour. I'm a SKIT member and a semi-professional photographer that specializes in taking digital photographs of theatrical performances.

I will be photographing the 2009 performance of *Cinderella*. I will put all of the photographs onto a CD-ROM. The CD-ROM will play as a slide show on any Microsoft Windows based PC. You may display the photos on your websites (facebook, myspace, etc...) as well as print them out on your personal photo printer or have them printed elsewhere (ShopRite, Wal-Mart, Photo store, etc ...). All photos will be in standard JPG format.

The cost of the CD is \$20 each (cash, check, money order) and includes shipping. The CD-ROM will be available 2-3 weeks after the show. I also have Photo CD-ROM for other SKIT shows. You can add them to your order for \$15 each.

You will also be able to view and order prints in many sizes for very reasonable rates on my website, www.showpix.net. You can also order the photo CD-ROM online with a credit card.

If you have any questions or concerns, please don't hesitate to ask me or call/email. If you would like to order one please fill out the enclosed form and return it to me either in person, email or by mail.
