RE: Show Photographs

I will be once again photographing the upcoming VHS performance of *Thoroughly Modern Millie!!* I will put all of the photographs I take onto a CD-ROM. The CD-ROM will play as a slide show on any Microsoft Windows based PC. You may display the photos on your websites (facebook, myspace, etc...) as well as print them out on your personal photo printer or elsewhere (ShopRite, Wal-Mart, Photo store, etc ...). All photos will be in standard JPG format. Enlargement of individual photos are also available – just ask! **I will also include the headshots and cast photo.**

The cost of the CD is \$20 each (cash, check, credit cards (online only) or money order) and includes shipping and handling. The CD-ROM will be available within 2 weeks of the show conclusion.

To order one please fill out the enclosed form and return it to me either in person, email or by mail. You may also order online at www.showpix.net.

I also have photos from other recent VHS events available for purchase. Please see my website or call/email for which ones are available.

If you have any questions or concerns, please don't hesitate to ask me or call/email.
