---

For those that don't know me my name is Dave Dabour. I'm a semi-professional photographer that specializes in taking digital photographs of theatrical performances.

I will be photographing the upcoming NHHS performance of *Les Miserables*. I will put all of the photographs I take onto a CD-ROM. The CD-ROM will play as a slide show on any Microsoft Windows based PC. You may display the photos on your websites (facebook, myspace, etc...) as well as print them out on your personal photo printer or elsewhere (ShopRite, Wal-Mart, Photo store, etc ...). All photos will be in standard JPG format. Enlargement of individual photos are also available – just ask!

The cost of the CD is \$20 each (cash, check, money order) and includes shipping and handling. The CD-ROM will be available within 2 weeks of the show conclusion.

To order one please fill out the enclosed form and return it to me either in person, email or by mail. You may also order online at [www.showpix.net](http://www.showpix.net).

If you have any questions or concerns, please don't hesitate to ask me or call/email.

*Dave*
